Title: Grants to States for Low-Income Housing Projects in lieu of Tax Credits.

Abstract: Authorized under the American Recovery and Reinvestment Act (ARRA) (Pub. L. 111–5), the Department of the Treasury implemented several provisions of the Act, more specifically Division B—Tax, Unemployment, Health, State Fiscal Relief, and Other Provisions. The collection of information from the agencies is necessary to properly monitor compliance with program requirements.

Type of Review: Extension of a currently approved collection.

Affected Public: State, Local, or Tribal Governments.

Estimated Number of Respondents: 55.

Estimated Annual Hours per Response: 0.5 hours.

Estimated Total Annual Burden Hours: 57.

Comments may become a matter of public record. The public is invited to submit comments concerning: (a) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize
